SUMMARY

I am a final-year Master's in Computer Science student at Pratibha College of Commerce & Computer Studies, with a degree of Bachelors in Computer Science from the same college affiliated to Savitribai Phule Pune University. I possess strong skills in Flutter, Nodejs, PHP, Java, HTML, CSS, JavaScript, Python and have a keen interest in Mobile Application development and Web Development. I am seeking a Flutter developer role where I can apply my technical expertise, collaborate with diverse teams, and contribute to innovative projects. If given the opportunity, I am confident that my strong work ethic, technical expertise, and enthusiasm for IT will make me a valuable asset to any organization.

EXPERIENCE

1. SOFTWARE ENGINEER (Previously ISE)   📅 June 2024 – Present   📍 Hinjewadi
Techriigour IT Solutions Private Limited
