## ✦ PROFESSIONAL SUMMARY ✦

Results-driven Flutter Developer with 1+ years of hands-on experience in building cross-platform mobile applications using Flutter, Firebase, and RESTful APIs. Currently working as a Software Engineer at Techriigour IT Solutions, contributing to production apps, scalable solutions, and real-time features with expertise in UI/UX design, API integration, and agile development practices.

## ✦ WORK EXPERIENCE ✦

**SOFTWARE ENGINEER | TECHRIIGOUR IT SOLUTIONS PVT. LTD.**                                    June 2024 – Present

- Progressed from Intern to Software Engineer based on performance and contribution.
- Developed scalable cross-platform mobile applications using **Flutter** and **Dart**.
- Integrated **RESTful APIs** and **Firebase** services for authentication, real-time notifications, and data storage.
- Utilized **GetX** for efficient state management, ensuring smooth UI/UX and **Shared preferences** for data management.
- Collaborated with cross-functional teams, conducted code reviews, and ensured adherence to best coding practices.

**STUDENT VOLUNTEER | PRATIBHA COLLEGE OF COMMERCE & COMPUTER STUDIES**          June 2021 – 2024

- Managed documentation of student and company records for college placement activities.
- Acted as a liaison between the Placement Committee and students, facilitating smooth communication.
- Assisted in organizing placement drives by coordinating with company HRs and managing event logistics.
- Contributed to the **Finishing School** program, supporting personality development training and compiling post-event reports.

## ✦ PROJECTS ✦

1. **B2BSURGE APP |** *(TECHRIIGOUR IT SOLUTIONS PVT LTD)*                          *launching soon...*

   Worked & developed a full scale B2B role-based Networking application for the organization where people connect, meet, find solutions generate notes and view statistics and also perform admin functions for contents and users' management along with payment gateways. Tech Stack- (Flutter, Node.js, MongoDB, Firebase, Razorpay, AWS).

2. **S3LifeStyle APP |** *(TECHRIIGOUR IT SOLUTIONS PVT LTD)*            *Available on App store/Play store*

   Also worked on production app and develop technical flows as per organization requirements for tokens and Business management. Tech Stack- (Flutter, Node.js, MongoDB, Firebase, AWS).            **Link**

3. **ONLY US – ONE TO ONE CHAT APP |** *Flutter, Firebase*

   Developed a one-to-one real-time chat application using Flutter and Firebase. Implemented Google Sign In, real-time messaging, and media sharing with Firestore and Firebase Storage.            **Link**

4. **PORTFOLIO WEBSITE |** *React, Tailwind CSS*

   Built a responsive and modern personal portfolio website showcasing skills, projects. Used React for component-based architecture and Tailwind CSS for clean and professional styling.            **Link**

## ✦ SKILLS SUMMARY ✦

- ★ **Frameworks** – Flutter, React.
- ★ **Programming languages** – C, Dart.
- ★ **Web Technologies** – HTML, CSS, JavaScript, Reactjs, Nodejs.
- ★ **Databases** – SQL (MySQL), NoSQL (MongoDB)
- ★ **Version Control Systems** – Git, GitHub
- ★ **Soft Skills:** Rapport Building, People management, Team collaboration, Communication
- ★ **Others** – Java, Python, PHP, Figma, Xampp, Postman, MSO.

## ✦ EDUCATION ✦

- ★ **Masters of Computer Science: CGPA: 9.00**                                    June 2023 –2025
  Pratibha College of Commerce & Computer Studies, Chinchwad -19                Pune, Maharashtra
- ★ **Bachelors of Computer Science: CGPA: 9.18**                                  June 2020 –2023
  Pratibha College of Commerce & Computer Studies, Chinchwad -19                Pune, Maharashtra
- ★ **Higher Secondary Certificate: Percentage: 73.23**                          March 2019 – 2020
  DP Mehta Junior College, Lonavala                                             Pune, Maharashtra
